

GROVE FARM MARKET CRAFT FAIR VENDOR RULES

The submission of a Grove Farm Market Craft Fair Vendor Application serves as the vendor's agreement to abide by the rules detailed below. Violations of the rules may be grounds for warnings and/or dismissal from the market.

SAFETY

Due to the ongoing situation regarding the Delta variant, masks will be required at the craft fair and market. Safety is a primary concern; therefore, we will continuously monitor the situation and rules regarding masks may change. Social distancing will still be enforced, and vendors should not attend the market if they are not feeling well.

MARKET OPENING AND CLOSING

Vendors will be assigned to enter the field with their vehicles through either the Kikowaena Street or Puhi Road gate entrance between 8:00-9:20am. Those arriving after 9:20am may not be permitted to drive in. All vendors must be packed up and out of the park by 1:00pm. A horn will sound at 9:30am to signal the opening of the market after which vendors may begin selling.

SET-UP

Vendors must supply their own tents, tables, chairs, and other supplies. Tents may be no larger than 10x10 feet. Spots will be assigned three (3) weeks before the event and vendors will enter the field through their assigned gate at the designated time. Each vendor may have one vehicle in the park.

Your assigned space will be marked with spray paint and the front of your tent should be aligned with the designated area -- see Image 1. Your vehicle must be parked directly behind and parallel to your tent -- see Image 2.
